

Joining a group

Mahara allows you to join and
create groups

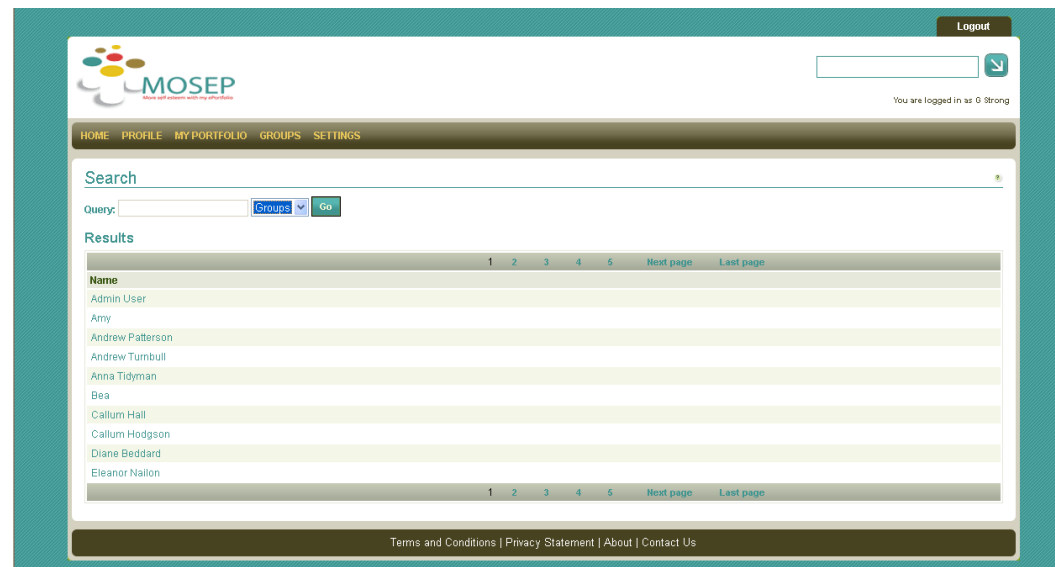

Searching for a group (1)

- To search for a group, first click the arrow next to “Search” at the top right of the page

Searching for a group (2)

- On the page that is displayed, change the drop-down box to “Groups” and type in “SCitt”
- The search will give a single result
- Click on the result

Joining the group

- To join the group, click “Request to join this group”, then “Send Request”
- Your membership will then need to be approved by the group owner
